

Docket No. 2003-052-TAP

ABSTRACT OF THE DISCLOSURE

TAPE CARTRIDGE MEDIA ACCESS DOOR

5 A magnetic tape cartridge with a sliding door and a
belt. A slider mechanism of the cartridge engages a tab
inside a drive when the cartridge is inserted. The slider
mechanism is attached to a door of the cartridge by a
belt. Moving the slider causes the door to move. A
10 compression spring provides force to close the door.
